The SEEDS currency symbol

- Create a global, transparent, equitable and regenerative economy;
- A financial system that unites the various movements, organizations and platforms striving towards a better world;
- Accepting Seeds as the more profitable and rewarding payment method. So, that you are better rewarded for doing good in the world;
- A global economy with built-in financial, governing and organizational systems that better serve the people and planet!

Benefits for Alliance Members*

- **Grants in Seeds** to give to your community for **acts of kindness, regenerative activities, and other acts of good along with an alliance share for your organization.**
- Awarded **2000 Seeds (~\$22 in 9/20 prices)** for every **Citizen** that joins from your community.
- **Shared Branding** - we'll promote your brand & give you a highlighted spot in the app's Marketplace.
- Gain a community which is **financially and ethically incentivized** to use your organization.
- **Build with us!** Tell us what tools you need to best serve your cause and we can make it happen.

We have limited Seeds to offer organizations and are awarding them on a first-come-most-aligned basis.

Value Exchange

Organizations are encouraged to offer a value exchange to the Residents and Citizens of SEEDS to increase their chances of being selected as an alliance member. Hypha will assist our alliance members with this process. See Organizations Applying for Funding for this process.

Benefits for Accepting Seeds

By simply creating a SEEDS account and attaching the payment API into your site/app, you:

- Access better than free payments: **Rewards over fees** when accepting payments!
- Join an alliance of organizations who **want you to succeed (your success is their success)**.
- Pioneer an economy that values cooperation. **Healthy cooperation over pure competition**.
- Join organizations that have incentives to share tools, open markets, and **grow together**.
- Gain an **incentivized community** to support your brand over alternatives.

It's simple. Earn money when you contribute to the health of the economy, society and our planet.
